*Fall Classes*

*held at the*

*Sanilac Career Center*

175 Aitken Rd Peck MI 48466  
810-648-4700

---

## Looking for a Certain Class?

We are always looking for new classes to offer. If you would like to teach a class or if you don't see the class you are looking for, contact Mary Fraley at 810-648-4700, ext 4266. We will do our best to help you out.

---

## Keep Your Name On Our Mailing List

Like everyone, we are trying to keep our costs down. Send an email to the address below to stay on our mailing list. You will be assured of getting all the latest information on classes as well as early notification as new classes are added! If you need a paper copy sent, call us with your information to keep your name on our list.

Note: We will be starting a new mailing list at the beginning of every year.

---

*We now accept Credit and Debit Cards*  
*Visa, MasterCard and Discover*

---

Check us out on our website for new classes and the latest information at  
<http://www.sanilacid.org>

## Belly Dancing

\$50 Tuesdays, 6:00 - 7:00 pm

Learn the basic moves for traditional belly dancing while getting some great exercise. Students will learn the correct posture and muscle control to become proficient at combining moves to perform a beautiful dance. Belly Dancing is for any age, size and shape. Anyone can learn and have fun. No previous experience is necessary. Students should wear comfortable clothes.

*Instructor: Stacey Rowe*

*September 12 – October 31 (8 weeks)*

---

## Oil Painting: Bob Ross Style

*Mondays, 4:30 - 8:30 pm*

*Sept 11, October 9, November 13, December 11*

No experience or “talent” is required, just a desire to paint. This painting class teaches the wet-on-wet method of oil painting. Paintings are completed in one session.

**Cost is per class and Due In Advance.** Students need to **bring a 16 x 20 canvas**, baby wipes, paper towel, and box to bring painting home.

**Call to get your name on the list to see what will be painted each month**

*Instructor: Tracy Stokes*

*\$58 (includes paints)/ \$48 (paint not included)*

*(Each class is independent)*

---

## Yoga

*\$50, Wednesdays 6:00 - 7:00 pm, (8 weeks)*

Come stretch yourself with us! You will learn the basics of yoga to help get you up and going in this short eight-week beginning yoga class! You'll feel better, have better posture, and get in shape.

## Kundalini Yoga

*\$50, Wednesdays 7:00 - 8:00 pm, (8 weeks)*

Come enjoy this meditative and physical discipline that uses the mind, senses and body to refresh and energize. Some mantra is involved. This is a Yoga of awareness.

*Instructor: Susan Daves*

*September 13 - November 1*

*Instructor: Susan Daves*

*September 13-November 1*

---

## Line Dancing Lessons

*Thursdays*

**Basics:**

6:00 - 7:30 pm

\$5.00 per session

**Beyond Basics:**

7:00 - 8:30 pm

\$5.00 per session

**Both classes:**

6:00 - 8:30 pm

\$10.00 per session

Learn the basics to Country Line Dancing. This class will start you out at the beginning of each dance with easy steps that you can build on each week. Don't worry if you miss one, you will be able to catch up in no time!

Soon you will be dancing like the pros. Bring your friends and plan to have a great time. Line dancing is a great form of exercise!

NOTE: Basic Class has slower paced line dances for beginners. Beyond Basic is a faster pace.

*Instructor: Carole Daugherty*

*September 21-October 26 (6 weeks)*

---

## Beach Glass Jewelry and More

*\$30 per class*

Learn how to make a Wind Chime with 9 pieces of beach finds and a large piece of driftwood. Students will learn how to wire wrap the glass and connect the pieces to make a beautiful and enjoyable wind chime. Students will also be able to make necklace with a chain, earrings, key ring, and wine glass charm in the jewelry class. Instructions and helpful hints are included. Students are able to take all projects home that day personally designed by them. Come to one or all!

*Visit "Beach Glass Jewelry by Christine" on Facebook for more information.*

September 27 – Wind Chimes

October 11 – Jewelry

*Instructor: Christine Mack*

*6:00 – 8:00 pm*

October 23 – Wind Chimes

## Pharmacy Technician Program

\$1,199 (includes books)

Tuesdays & Thursdays, 6:00-9:30 pm

This comprehensive 50 hour program will prepare students to work as a pharmacy technician in a retail or other pharmacy setting and to take the Pharmacy Technician Certification Board's PTCB exam. Course content includes: pharmacy medical terminology, history, practice in multiple environments, calculations and measurements, prescriptions and drug names. Through classroom lecture and hands on labs, students will review many areas a Pharmacy Technician will handle including dosage calculations, drug classifications, billing and reimbursement among other items. Students will be eligible to participate in a 60 hour clinical externship with a local Retail Pharmacy. Students may be asked to submit to a thorough background check, drug screening and meet other requirements.

*Instructor: Lori Profit, BCPS*

*October 17-December 7 (8 weeks)*

*50 hours + 60 Clinical hours*

---

## Clinical Medical Assistant Program

\$2,599 (includes books)

Tuesdays, Wednesday, Thursdays, 6:00-9:30 pm

This program is intended for students who want to prepare for an exciting, challenging and rewarding career in healthcare. This program will train students to assist physicians by performing functions related to the clinical responsibilities of a medical office including preparing patients for examinations and treatment, routine laboratory procedures, diagnostic testing, phlebotomy, pharmacology, taking and documenting vital signs, cardiology including proper lead placements, the proper use and administration of medications, a professional workplace behavior, ethics and the legal aspects of healthcare and more. This program includes 140 hours of classroom lecture and hands on labs and a clinical externship opportunity at a local healthcare provider. To be eligible for the clinical rotation, students must successfully complete the 140 hour program, submit to a thorough background check, drug screening and meet other requirements.

**Note:** Upon successful completion of this program, students would be eligible to sit for the National Healthcareer Association (NHA) Certified Clinical Medical Assistant (CCMA) national examination.

*Instructor: Katrena Doughty-Jordan*

*September 19 – December 21(14 weeks)*

*140 hours + 160 Clinical hours*

---

## Dental Assistant Program

\$1,399 (includes books)

Mondays & Wednesdays, 6:00-9:30 pm

The 60 hour Dental Assisting Program prepares students for entry level positions in one of the fastest growing health care positions – Dental Assisting. The purpose of this course is to familiarize the student with all areas of pre-clinical dental assisting and provide training in the professional skills required to function as an assistant in the dental practice. This course covers key areas in administrative and clinical aspects including dentistry history, the dental office, legal aspects, dental equipment, oral anatomy, patient positioning, dental hand-pieces, sterilization, and many other areas. In addition to entry-level administrative jobs, this course is ideal for students interested in pursuing a future formal Dental Hygienist program.

*Instructor: Candyce Koepfel*

*October 2 – November 29*

*60 hours + 40 Clinical hours*

---

## Electronic Health Record Management Program

\$1,999 (includes books)

Tuesdays & Thursdays, 6:00-9:30 pm

This Electronic Health Record (EH R) Management program prepares students to understand and use electronic records in a medical practice. An electronic health record (EH R) includes computerized lifelong healthcare data from a variety sources where every encounter an individual has with the healthcare system is documented and compiled for quick access. Electronic Health Record professionals are educated in the implementation and management of electronic health information using common electronic data interchange systems such as HL7, CDISC, and DICOM. Students will learn through classroom and computer lab training the necessary components consistent with maintaining the medical, legal, accreditation and regulatory requirements of the electronic health record and database.

**Note:** After the successful completion of this program, students will be prepared to sit for the National Healthcareer Association (NHA) Certified Electronic Health Record Specialist (CEHRS) exam.

*Instructor: TBA*

*September 11 – December 19*

*95 hours*

## Phlebotomy Technician Program

\$1,799 (includes books)

*Mondays & Wednesdays, 6:00-9:30 pm*

This 90 hour Phlebotomy Technician Program prepares professionals to collect blood specimens from clients for the purpose of laboratory analysis. Students will become familiar with all aspects related to blood collection and develop comprehensive skills to perform venipunctures completely and safely. Classroom and lab work includes terminology, anatomy and physiology; blood collection procedures; specimen hands-on practice; and training in skills and techniques to perform puncture methods.

**Note:** There is no outside externship rotation included with this program.

*Instructor: TBA*

*September 11 – December 13*

*90 hours*

---

## Medical Administrative Assistant

\$999 (includes books)

*Mondays & Wednesdays, 6:00- 9:30 pm*

This 50-hour course prepares students to function effectively in many of the administrative and clerical positions in the health care industry. This program covers important background information on the medical assisting profession and interpersonal skills, medical ethics and law, medical terminology, basics of insurance billing and coding, telephone techniques, scheduling appointments, medical records management and management of practice finances. This program is intended to provide students with a well-rounded introduction to medical administration so that a student can gain the necessary skills required to obtain a medical administrative assistant position in the health care field.

**Note:** This program meets the necessary requirements to take the National Healthcareer Association (NHA) - Certified Medical Administrative Assistant (CMAA) exam.

*Instructor: Theresa Ardelean*

*September 11 – October 30*

*50 hours + 40 Clinical hours*

---

## Medical Coding

\$225 + \$310 (books)

*Mondays, 5:30-9:30 pm*

Learn how to code with the latest methods. Deb has taken the American Health Information Management Train- the-Trainer and became a Certified ICD-10 trainer. This class will teach ICD-10 Diagnosis coding used in both hospital and physician offices.

*Instructor: Deb Sherman*

*September 11 – November 13 (10 weeks)*

---

## Physicians Medical Billing

\$225 + \$230 (books)

*Tuesdays, 5:30 – 9:30 pm*

Understanding Health Insurance and the guide to billing and reimbursement is all covered in this 10 week course. This course covers Physician billing. Students will be introduced to information about major insurance programs, provided basic knowledge of national diagnosis and procedure coding systems, and learn to simplify the process of completing claims.

*Instructor: Deb Sherman*

*September 12 – November 12 (10 weeks)*

---

## Medical Terminology

\$225 + 100 (books)

*Wednesdays, 5:30-9:30 pm*

This class is designed to teach students easy ways to apply prefixes, learn how to correctly pronounce medical terms, and remember roots and suffixes. Students will learn how the parts of the terms combine to form medical terms. This is a great beginner class for medical students.

*Instructor: Deb Sherman*

*September 13 – November 15 (10 weeks)*

## Certified Nurse Aide

\$900 (includes books and clinical hours)

Wednesdays, 3:00-9:00 pm

Tuesdays & Thursdays, 4:30-8:30 pm

The Certified Nurse Aide program is an 80 hour course, which includes class work with lab work and 16 hours of clinical work at a medical care facility. Students learn basic health care procedures including pulse rates, taking temperatures, respiration, blood pressure, and patient care. This program will prepare students to take the State test

*Instructors: Sherry Peters &*

*Jamie Marley*

*80 hours (12 weeks)*

*80 hours (9 weeks)*

---

## American Heart CPR & First Aid

\$60

This CPR class is an **American Heart** Basic Life Support for Healthcare Providers & Heartsaver First Aid training, including AED training. This class will cover adult, infant, and child CPR/AED, and first aid. Students will learn to identify when CPR is necessary, how to administer it, the CAB's of emergency care, and practice on the CPR mannequin.

*Instructor: Pat Beauchamp*

*Classes scheduled based on enrollment*

*2 days – 3 hours each*

---

## Reiki I

\$75

Thursdays, 6:00 – 8:00 pm

Reiki is a form of hands-on, natural healing that uses universal life energy. Reiki is an alternative therapy for holistic health with benefits including stress reduction and relaxation which help the body heal. In this class students will learn the basics of Reiki, the history behind the process, and the hand positions used during the process. Students will also learn how to do a self-treatment. Handouts are included with the class. At the completion of this class, students will receive a certificate for Reiki I.

*Instructor: Stacey Rowe*

*September 14 – September 28 (3 weeks)*

---

## Reiki II

\$75

Thursdays, 6:00- 8:00 pm

Students will learn distance healing and Reiki symbols in this three week course. Students must have already taken a Reiki I course.

*Instructor: Stacey Rowe*

*October 12 – October 26 (3 weeks)*

---

## Reiki III

\$300

Thursday, 6:00-8:00 pm

Students will become a Master in this Reiki III class. Students will learn how to give Attunements and learn how to set up and teach a class to other students.

*Instructor: Stacey Rowe*

*November 2 (1 week)*

---

## Animal Reiki

\$25

Thursday, 6:00-8:00 pm

Small and large animals can also benefit from a Reiki treatment. Students will learn how to give a Reiki treatment to all types of animals in this class.

*Instructor: Stacey Rowe*

*October 5*

*Students must take a Reiki I class prior to this class.*

## Certified Welding

\$1,900

*Mondays, Tuesdays, Wednesdays, Thursdays*

*3:30-6:30 pm **OR** 6:30-9:30 pm*

*Instructor: Dennis Paschke*

*September 11 – November 16*

*120 hours (10 weeks)*

Our certified welding class prepares students to become certified in one area in both vertical and overhead positions. Students prepare to take an in-house certification following standards and guidelines from the American Welding Society. Certification is available in either MIG, TIG, or ARC welding.

***90% attendance is required for certification.***

***It is strongly recommended that students have some prior experience in welding or have taken the Basic Welding class prior to taking the certification class.***

---

## Basic Welding

\$200 (includes supplies)

*Dates and times dependent on enrollment*

*Instructor: Dennis Paschke*

*September 11 – November 16*

*20 hours*

This class is for entry-level positions in welding and for the experienced welder. Students will learn what is involved in welding and may choose to specialize in any area of welding to complete basic projects if time allows. Skill areas include oxyacetylene welding, cutting and brazing, arc welding, MIG and TIG welding.

---

## Getting Paid to Talk

\$20

*Wednesday, 6:30- 9:00 pm*

*Instructor: TBA*

*October 25*

***Make Money with Your Voice! This class is an introduction to professional voice-overs.***

Have you ever been told that you have a great voice? This exciting class will explore numerous aspects of voice over work for television, film, radio, audio books, documentaries and the internet in your area. This will cover all the basics, including how to prepare the all-important demo, how to be successful and earn great income in this exciting field. Students will have the opportunity to ask questions and to hear examples of demos recorded by professional voice actors. Class participants will even have a chance to record a commercial script under the direction of our Voicecoaches.com producer! This class is informative, lots of fun, and a great first step for anyone with an interest in voice acting professionally.

Register early! Space is limited. Registrations must be in by **October 17th.**

---

## Women's Self Defense

\$25

*Wednesday, 6:00 – 8:30 or Saturday 9:30 am – 12:00 pm*

This training will increase your awareness, help you avoid dangerous situations, and empower you with escape and striking techniques that really work! Students will learn how to stay aware of their surroundings, the pros and cons of self-defense tools such as pepper spray, fire arms, or edged weapons, effective empty-hand fighting techniques, and ground fighting techniques to defend against sexual assault. This class is taught by Master Law Enforcement Trainer, Henry Reyna. His expert knowledge as a law enforcement officer provides you with precise and thorough training to help you be prepared for and defend yourself in the case of a violent situation. Students should wear clothing that allows kicking and swinging of the arms.

All techniques will be taught in static step progression.

**Watch for classes coming for teenagers, also. Call or email to be on the list for more details.**

*Instructor: Henry Reyna*

*October 11 or November 18*

## Essential Oils Training

Cost: *FREE*

Tuesdays, 6:00-8:30 pm

*Instructor: Marcie Bush/Naysa Heilig*

*September 12 – December 19 (15 weeks)*

If you would like to learn more about how essential oils work and what certain oils can do, these classes are for you. They are held weekly and you can come to all or as many as you are able. Each class will offer a wealth of information you can use right away to help bring your life closer to balanced. Please reserve your spot early!

### **September Classes - Simple Natural Health Solutions**

Whether your child is back in school or you just need an immunity boost, come to these informative classes on how essential oils can be used for common everyday health concerns and fill a safer, more effective medicine cabinet for less money! Each attendee will have the opportunity to make an essential oil wellness blend to take home for \$10 (optional).

*A Health Scanner will also be available for use (details at the class).*

### **October Classes - Women's Health Month**

Women tend to have a lot going on all at once and they tend to over extend themselves when giving. Learn how to manage your emotions and unwanted physical symptoms of stress with essential oils! Essential oils can bring peace and happiness to your life by helping you take control of low moods, agitation, PMS and pregnancy symptoms, and so much more! Each attendee will have the opportunity to go home with a mood roller blend of their choice for \$10 (optional)!

### **November Classes - Healthy Thru The Holidays**

Do you find yourself feeling sick or under the weather during the holidays? Let's face it, everyone looks forward to the holidays but it can be a really stressful time in our lives! During the month of November we will share how you can manage your stress levels AND be a healthier you. Simple nutrition changes and using essential oils and other supplements can drastically change your physical and mental state! (As a bonus, at the end of November, we will be taking time to go over how you can make your very own gifts for Christmas using essential oils!) Each attendee will have the opportunity to make a blend according to their needs for \$10 (optional).

### **December Classes - Winter Wellness**

Winter can take a toll on our bodies. Some suffer from dry skin issues while others see their immune system not working perfectly, or maybe your mood plummets when the days get shorter? Learn how to keep your body in optimal working order using essential oils and supplements. Each attendee will have the a variety of things they could make ranging from salt scrubs to sleepy time roller blends. There will be lots to choose from. Prices will range from \$5 - \$10 each. (Optional).

---

## We Want You!

This space is blank....and it could be filled by a class or two taught by YOU!

Community Education is always looking for new classes to add to our brochure! We have found that many of our instructors are people from the community who have a *special skill, hobby, or expertise* that would interest others in the community!

It could be something your company or organization does, or something you do as an individual. Our next brochure comes out in November. We will be looking to add new classes in October.

Call us at 810-648-4700, ext. 4266 if you would be willing to teach a class or two!

## Microsoft 2010 Excel

\$50 plus book

Mondays, 5:30 – 7:30 pm

Students will learn the basics of the Microsoft Excel spreadsheet program including editing, viewing and printing worksheets, working with formulas, and formatting content cells. Students will learn the skills needed to be effective in a business office setting and be prepared to take the Integration course to practice those skills.

---

Instructor: Jeanette Sheler

September 18 – October 16 (5 weeks)

## Microsoft 2010 Word

\$50 plus book

Wednesdays, 5:30 – 7:30 pm

Students will learn the basics of Microsoft Word including creating business letters, a memorandum and press release, working with tables, and creating a simple report. Students will learn the skills needed to be effective in a business office setting and be prepared to take the Integration course to practice those skills.

---

Instructor: Jeanette Sheler

September 12 – October 18 (5 weeks)

## Integration of Word and Excel

\$30

Mondays, 5:30 – 7:30 pm

Students will take the skills they have learned in both Microsoft Word and Excel and apply them to real-life situations. Students are encouraged to bring in projects they would like to work on. Prior experience or a class in both Microsoft Word and Excel are required for this class.

---

Instructor: Jeanette Sheler

October 25 – November 8 (3 weeks)

## Computers for Beginners

\$15 each session / \$60 for all classes

Wednesdays, 6:00 – 8:00 pm

Students may take one or all of the classes listed below depending on experience level. Students should bring a CD or USB flash drive to save your data and practice for all classes. Computers are available for practice but students should bring their laptop to class if they have one.

*Instructor: Pam Smith*

*October 4 – 25 (1 week each)*

### **October 4 - Learning to use Windows 10**

Students will learn the differences between Windows 10 and older versions of Windows and how to move around in this operating system.

### **October 11 - Learning to use Windows, Part 1-Understanding your equipment**

Students will start with the basic components of a computer, mouse, keyboard and its functions and simple shortcuts, computer terms and terminology relating to software and applications, the difference between files and folders, how to create, name and save files, and learn how to cut and paste text. Students will learn lots of tips and tricks and hidden features to make computing tasks seem effortless.

### **October 18 - Learning to use Windows, Part 2-Create to access**

A continuation of basic Windows. Students will learn how to access programs, create and organize files, move files by dragging and dropping, learn how and where to save work and how to find it again. Save and save as for files will be explained. Tips and shortcuts that can be applied to every day computing will also be shared.

### **October 25 - Learning to use Windows, Part 3-Maintain with confidence**

Quick review of basics to get all up to speed. Students will learn the basics of maintaining their computer, where to go for information about their computer, the importance and necessity of regular updates and anti-virus program, system backup, and cleanup tools. Students will learn how removing old programs, cleaning off the desk top and deleting old e-mails can speed up your computer. Tips and tricks to make your computer run cooler and smoother will also be discussed.

## Interesting Classes

\$30, 1 week classes; \$50, 2 week classes  
Wednesdays, 5:30 – 7:30 pm

Instructor: Tara Shutter  
September 27 – December 6

Students may sign up for these classes directly with the instructor via phone or email. (810-441-7955, [tara.shutter@gmail.com](mailto:tara.shutter@gmail.com)) Students may also make cash, check, or credit card payments the day of the class.

### **September 27 – Basic Tarot (1 week)**

This class will teach you the basics of Tarot. Learn how to do reading for yourself, friends and family. This class provides structural meanings and interpretations of each suit, spread and will show you how to perform readings. You will learn about different types of decks, the history, along with tips to become a master reader. Students are encouraged to bring their personal deck of Tarot cards. Tarot card decks will be available for purchase.

### **October 4 and 18 – Basic Paranormal Investigation (2 weeks)**

This class is designed to give a deeper insight into the world of paranormal investigation. Essential characteristics of paranormal investigations require a cautious approach backed up with scientific methodology. We will study the different types of paranormal activities, a typical case study, the essential investigation equipment, the investigation process and how to deal with after an investigation.

### **October 25 – Basic Crystals (1 week)**

This class will provide a better understanding and awareness of crystals and their healing powers. This class will take you on a journey of self-healing and self-discovery. Learn how to identify basic crystals, how to care for, clean, clear and store your crystals along with how to charge them to amplify their healing abilities. Learn how crystals and stones are used in healing methods, enhancing meditation and promote spiritual development. Crystals will be available for purchase.

### **November 15 – Aromatherapy (1 week)**

If you want to learn the secrets of how to blend ingredients to make your own bath oils, hand lotion, room refresher, potpourri and more? Then this is the class for you! With this class you will gain the knowledge to start trying some simple blends and to learn how to create your own unique blends. You will learn about plants, essential oils, carrier oils and how to safely use and store them. This class will show you many ways to add fragrance to your life. Essential oil kits will be available for purchase.

### **December 6 – Advanced Tarot (1 week)**

This class is a continuation of what students have learned in the Basic Tarot class. Students will learn advanced tarot definitions and readings and will get time to practice giving tarot readings to each other in this class. Students will need to bring a tarot deck they are comfortable with.

---

## Builder's License Classes - Online

Are you interested in pursuing a career in the construction trades? Get the training you need online where you can progress at your own pace. Students have six months to complete the courses. Practice for the licensing exam is also included. Call for more information at 810-648-4700, ext 4266 or check out this link for more information:

<https://www.licensetobuild.com/sanilac-career-center/>

## ONLINE CLASSES!

Take classes from the comfort of your home without having to spend money on gas and time on travel. Don't have high-speed internet to take online classes? Don't let that stop you. Students are welcome to use the Career Center computers during designated hours to complete their class assignments.

All online classes have instructor support through email and all books and supplies are included in the cost. Students are given 6 months to complete the programs with an extension if needed. Most finish within 4 - 6 months. For additional information, please contact Sanilac Career Center at **810-648-4700, Ext 4266**, or email [mfraley@sanilacid.com](mailto:mfraley@sanilacid.com).

### **Refund & Cancellation Policy**

100% refund before the start of the class. If a class is cancelled, a full refund will be issued. Once classes have begun a refund is only available immediately after the first class session is held.

Financial Aid may be available thru

Michigan Works 810-648-5800

### **Non-Discrimination Statement**

It is the policy of the Sanilac Intermediate School District that no person shall, on the basis of religion, race, color, national origin, gender, handicap, age, height, weight, marital status or disability, be excluded from participation in, be denied the benefits of, or be subject to discrimination during programs, activities, and employment. Inquiries regarding this policy should be directed to Emma Navarro, Special Education Director, 46 North Jackson Street, Sandusky, MI 48471, (810) 648-2200.
